

RENAUD BARBARAS

Body and belonging. Towards a phenomenological cosmology

22 June 2022, 18:00-20:00

Renaud Barbaras is Chair of Contemporary Philosophy at the University of Paris 1 Panthéon-Sorbonne. As a specialist in phenomenology, he is the author of many internationally recognized award-winning works. With regard to its topic, its

philosophical refinement and sharpness, his recently published "Belonging. Towards a Phenomenological Cosmology" (2019) can be seen as the culmination, if not the turning point, of his intellectual path.
